ANNUAL MEETINGS

The evening began May 10th at 5:30 pm in the main dining room with a pot luck dinner enjoyed by many members, their wives and friends. After dinner, the men excused themselves and retired to their respective meetings.

The Scottish Rite Cathedral Association Board of Directors opened their meeting at 6:30 pm, conducted their usual business and was called to recess.

The Scottish Rite Bodies of the Valley of Moline was called to order at 7:30 pm with Jay M. Hawkinson MSA 33° presiding. The main item on the agenda for the evening was the election of officers. The officers, elected and appointed, were installed into office with Illustrious Brother N. LaVern Robertson as Installing Officer and Illustrious Brother Ronald Fullerlove as Installing Marshal. Illustrious Brother Hawkinson, turned the gavel over to Illustrious Brother Grady Birdsell and wished him well during his term in office. Elections were then held to fill five positions on the Cathedral Board of Directors. The meeting closed at 8:50 pm.

OUR YEAR IN REVIEW

Our year began in May with the election and appointment of officers.

In June we sponsored a motorcycle poker run to benefit the Learning Center. The day started rainy and cold which probably lowered the number of participants expected. 29 bikes registered for the run, beginning at the Cathedral, with the majority of them having a passenger. It ended at a local park where approximately 100 members and Learning Center personnel were served food and beverages while being entertained by a DJ. T-shirts, tank tops, 50-50 tickets and raffle tickets for donated prizes were sold.

The 27th of June 16 of our members and their wives attended the banquet at the Illinois Council of Deliberation hosted by the Valley of Bloomington. Brother Lawrence L.E. Smith, our Most Wise Master, received the M.S.A. award.

In August we sponsored a week long public outlet to introduce our Masonic Family by way of a booth at the Rock Island County Fair in East Moline. The booth was manned by volunteers from several different Masonic organizations between 11:00 AM and 9:00 PM. At times, a parent of one of the Learning Center students was available to answer special questions about the Learning Center. Two laptop computers were on hand to present DVD and/or CD stories about Masonry and there was an abundance of detailed literature. And, of course, petitions for all organizations were readily available.

Another cool and wet day greeted us as 38 hearty members and friends huddled together in the South Pavilion at Indian Bluff Forest Preserve. Fewer than expected attended, but it was a good social experience for all.

We again participated at the annual auction for Arrowhead Ranch, a school for troubled kids. We sold pizzas as part of their fundraiser. Some of our members also took part in an ILCHIP program at this event.

Labor Day weekend brought about another record year in contributions for Muscular Dystrophy nationwide. Twelve plus Scottish Rite members from the Valley of Moline, wearing their red coats, were on hand to man the telephones taking contribution pledges at WQAD TV channel 8.

October started off with our Annual Leadership Awards Night where the valley recognizes leaders of other organizations, both Masonic and non-Masonic

The Fall Reunion was held Saturday, October 17th beginning at 9:00 AM and finished at 3:00 PM including lunch. Several degrees were presented with exception of the 31st and 32nd degrees which were presented on a special Scottish Rite Day held on Saturday, November 14th.

Halloween came a week early for our Valley and it served as a "Make-A-Difference Day" in harmony with a National Program. Over 85 people, including 35 students and advisors from Arrowhead Ranch in Coal Valley, attended our wiener roast/hay-rack ride held at Snow Star Ski Resort southwest of Andalusia.

December brought about the Annual Christmas Party. Young and old were entertained by clowns, bouncing room, sumo wrestling, face painting, a magic show, and a visit from Santa.

In February a Presidents Day Celebration was held. Members with their ladies, family and friends attended a dinner theater in the main dining room of the Cathedral. The play, fostered from our country's revolutionary history, was presented by our valley cast. Characters acting in the play, dressed in 1780's period attire, mingled with the audience before, during and after dinner.

Our year's activities came to its end at the spring reunion, March 19th and 20th, followed by a public observance of the Feast of the Paschal Lamb and a banquet enjoyed by all.

June 14th Stated Meeting

The June 14th Stated Meeting looks to be an interesting evening. After a short business session conducted by the Lodge of Perfection, the 4th and 21st degrees will be presented in the auditorium. The 21st degree has not been presented in Moline for a long time. It is a new cast under the direction of Brother Timothy Vice MSA.

Refreshments will be served in the main dining room thought the evening.

Food for Thought

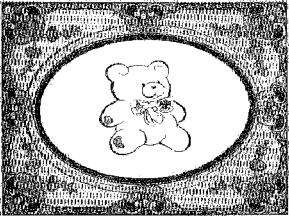

There are few places that require greater self-restraint and consideration for other people than a Masonic gathering. Let us remember that the cardinal principle of etiquette is thoughtfulness and it implies a concern for the effect of our actions on others around us. Certainly Freemasons are concerned with all members of the Craft and, we need to treat each other with Brotherly respect.

So mote it be!
